

PXR-2W

Fairbanks 5-in-1 System Jacket (Women's)

Intemperate weather just met it's match. The Fairbanks 5-in-1 System Jacket can be worn in 5 different configurations that adjust to changing weather conditions. This winter parka converts to a rainshell by removing the thermal liner, which can also be worn as a thermal shell or vest. The snap-off adjustable hood allows added inclement weather protection. It's a lightweight design with heavyweight resistance in moderate to extreme conditions. Smart design dual hand pockets offer plentiful space for your valuables.
