

SD805A

STEALTH JAVA TRAVEL BACKPACK

The Swissdigital Stealth Java takes everything you loved about the original Java and elevates it to a whole new level. This 45L powerhouse combines sleek all-black styling with enhanced functionality.

Engineered from durable materials and featuring a dedicated 16" laptop compartment, RFID protection, and a patented smart USB port, the Java Stealth keeps your gear powered, protected, and perfectly organised. Comfort is built in with S-curve ergonomic shoulder straps and breathable air-mesh padding, while thoughtful additions like an insulated bottle pocket, shoe compartment, and trolley sleeve ensure it adapts to every journey.

With expanded decoration areas and its refined all-black finish, the Java Stealth is not just built to perform, it's built to represent any brand with bold sophistication.
